

Do you have special dietary needs or restrictions?

Are you currently under an Ayurvedic practitioner or other doctor's care? Who is your care provider? Will they sign off on your travel plans?

Please write and attach a 400-500 word essay (one page) telling us why you'd like to come to Rasa Ayurveda, what you most hope to learn or "get" during your internship, and how you envision your experience affecting your ability to contribute to others. Include a description of any plans you have for your professional future.

Internship fee is \$1,710 single occupancy, or \$1,510 double occupancy if registering with a roommate (or if we are able to assign one to you on your request). Credit card processing fees apply. All interns will receive lodging, food at Rasa Ayurveda, transportation to and from airport, and all internship activities.

The program culminates with a review exam and Certificate of Completion.

By applying for this internship, you confirm that you are able to arrange and pay for your passport application (if necessary), visa application, and round trip plane ticket to Trivandrum/Thiruvananthapuram, Kerala.
